

Work starting soon

What?

Road re-surfacing over Easter.

Where?

Queen Street, between Mayoral Drive and Karangahape Road.

When?

Weather permitting; work is scheduled to take place from 7pm until 11pm on Thursday 21 April, and from 7am until 2am each day from Friday 22 April through to Monday 25 April. Wet weather may postpone works to the next available day/weekend.

Why?

This essential maintenance work is necessary to ensure that Auckland's transport network continues to function safely.

During this time, this section of Queen Street will be reduced to one way and a detour will be in place. Traffic will be diverted via a sign-posted detour route.

Staff will be on hand to assist with access to apartments and businesses. Delays may be encountered at times.

To minimise potential disturbances the noisiest component of work has been scheduled to take place during the day and early in the evening. At all times every effort will be made to keep disruptions to a minimum.

We understand that our works may be of some inconvenience to you, so we apologise in advance for any disruption and thank you for your cooperation.
